Scout Hall, Castle Road, Crickhowell, Powys.

Scout Hall Bookings – Conditions of Use

The Scout Hall can be booked for use subject to availability. The Hall is currently allocated for priority use by the 1st Crickhowell and Llangattock Scout Group (Scouts, Cubs, and Beavers) and reserves the right to postpone hall bookings at a reasonable notice.

There are no caretaking or rubbish collection facilities at the Hall. Therefore, would you please ensure that no food or rubbish remains in the Hall after use and that the Kitchen and Toilets are left clean and tidy.

We do not charge for the use of the Hall. You are required to make your own provision for risk assessments and any insurance/liability cover you deem is needed.

The Hall operates a coin meter which accepts £1 coins. Please ensure that the meter is not left fully expired as a small amount of electricity is required to sustain the emergency lighting.

Please ensure that all appliances are switched off when leaving the building.

We are a registered charity and welcome any donations that support the upkeep of our Hall.
